

CANONICAL ENTRY 27 / 74

Crohns

Digestion**CANONICAL SOURCE - VERBATIM**

The most common cause is viral, an intestinal flu that settles in the intestines and disturbs the lymphatics.

Alternatively, it can come about by intestinal inflammation further up the digestive system, or directly caused by pressures on the spinal nerves which govern the digestive system.

Therapy:

- Enlightened Athletics Dietary Protocol (Modified w/ focus on consuming grapes)
- Hydrotherapy colonic
- Osteopathic Manipulation
- Herbal Formula of: Ginseng, Ginger, Lactated Pepsin, Stillingia
